**WATER STREET BREWERY CELEBRATING 15 YEARS  
OF BREWING IN MILWAUKEE**

The WATER STREET BREWERY restaurant and brew pub, located at 1101 N. Water Street in downtown Milwaukee, is celebrating its 15<sup>th</sup> year of operation in 2002.

Beginning in 1987, WATER STREET BREWERY began brewing a continuous variety of seasonal and specialty beers, as well as serving an extensive menu of appetizers, sandwiches, and nightly specials.

During the last 15 years, WATER STREET BREWERY has produced 21,000 half barrels, which is approximately almost 3.4 million glasses of beer. Twenty-five different styles of beer have been brewed over the years. Since 1988, eight medals have been won at both the Great American Beer Festival in Denver and the North American Brewers Association. The second WATER STREET BREWERY location in Delafield opened in March 2000, located at 3191 Golf Road.

In celebration of this event, we are currently displaying the WATER STREET BREWERY MEMORABELIA COLLECTION.

The collection features many one-of-a-kind beer and brewing artifacts, with most originating from breweries in Wisconsin. It includes 50,000 cans, with 6,000 arranged and featured in 25 wood framed displays. Other wood framed displays include 1,100 beer tap knobs and handles, 2,300 coasters, and 825 bottle and can openers. Also featured are 200 server trays, 25 exterior corner signs, 10 original Wisconsin Brewery lithographs, 450 large and miniature bottles, 50 neon signs, and a variety of other brewing artifacts.

Different items in the WATER STREET BREWERY MEMORABELIA COLLECTION will be rotated periodically throughout the year at both locations. WATER STREET BREWERY is open for business daily at 11am.
